Paul Nolan

Of Counsel

Email: Paul.Nolan@VarnerBrandt.com

Paul Nolan is a litigation attorney entering his 25th year of practice in all facets of litigation. His practice involves a range of complex litigation, with specialization in the areas of construction, general liability, premises liability, transportation, and business litigation. Paul's experience in these various areas of the law have allowed him to develop practical solutions and recommendations for clients in all litigation forums, including litigation prevention and risk management. An experienced trial lawyer, Paul is also adept in all aspects of dispute resolution, including mediation and arbitration, and is widely recognized by national and global developers and contractors, including Fortune 500 companies, for his results.

Paul was the managing partner of two separate satellite law offices for a national firm for over 14 years. During that time frame he developed a unique set of skills related to the implementation of sound employment policies. He utilized this experience to develop a labor and employment practice that focuses on risk identification, avoidance and management.
